The Student Conservation Association (SCA), with Cleveland Metroparks, seek high-school aged youth for their 2021 Summer Crew!

For six weeks, Crew Members will learn conservation job skills in ecological restoration and will engage in rewarding and valuable physical work outdoors on projects including trail construction and rehabilitation, natural resource enhancements, and general trail management. Crew members will perform meaningful and necessary work that is part of expansion and rehabilitation plans for revitalizing Cleveland Metroparks trails. These paid positions will integrate hands-on restoration work, job skill development, and conservation education. Throughout each week, time will be devoted to learning about the local ecology and environment, conservation career exploration, as well as building teamwork and leadership skills.
