Student Conservation Association
Application for:
2016/17 Seattle Conservation Leadership Corps – 1st Year Applicants

The SCA Seattle Conservation Leadership Corps Program offers leadership opportunities and community service hours through outdoor programs. You will be expected to attend one evening meeting and one weekend event each month, January 2016 – May 2016. Some of these will be overnight camping trips.

Each month has a theme (everything from team-building to environmental justice.) Each weekend, crews will perform hands-on service work such as restoration, trail building, urban farming, snowshoeing, backpacking, and much more! No experience necessary, tools and some equipment provided.

We have a limited number of positions available and unfortunately we have to turn interested students away. Please take the time to complete a thoughtful application. Applications will be considered first come, first serve.

Please note, in order to participate you will need to commit to all program dates.

Today's Date: __________________
Name: ____________________________________________________________
Home Address: __________________________________________________________________
Home Phone: ___________________ Cell Phone: ___________________
Email: __________________________
Age on Nov 15th, 2016: ___________________ T-Shirt Size: __________
High School: __________________________________ Grade: __________
Gender: __________________________ Ethnicity (optional): ________________

Have you applied to an SCA program before? Y / N (circle)
If yes, when and what program? ____________________________________________________________________________

If you’re under 18, please provide the following information:
Parent/Guardian name: __________________ Relationship to applicant: __________________
Parent/Guardian phone: __________________ Parent/Guardian email: __________________
Primary language spoken at home: __________________

How did you hear about SCA? ____________________________________________________________________________
